GENERAL TERMS AND CONDITIONS

1. Whenever a service of this Entity and its Partners is used, and or information provided, the user / client declares automatically in doing so that all the facts, declarations, financial information and general information, provided by the user / client, are true and correct.
2. Whenever a service of this Entity and its Partners is used the user / client consents to this Entity and its Partners making enquiries about the user's / client's credit record and to obtain, check and verify any such information as it may deems necessary, including check and verification to prevent fraud.

3. This Entity and its Partners have the right to verify all information provided to them to assist in assessing any application by user / client.
4. This Entity and its Partners reserve the right to decline or approve any application and / or stop and / or proceed with further processing to its lenders and service providers at any stage, even after all agreements have been signed.
5. Should user's / client's application meet all the relevant criteria, this Entity and its Partners have the right to share user's / client's information and to obtain funding as mandated by user.
6. The use of this Entity's, its Partner's and Services Provider's services constitutes no guarantee and or warrantee and is it used at the user's / client's own risk.
7. Users / clients must avail themselves of the terms and conditions of all services, documents and contracts.
8. Users / clients may not contact our Partners and or Services Providers directly and may not publish or make known its involvement with this Entity and or its Partners and Service Providers, neither the nature of the business between the parties.
9. No time frames, limits and or penalties are agreed upon.
10. Routine checks may be conducted by this Entity and its Partners at the sole discretion of this Entity and its Partners.
11. It is the sole duty of users / clients to investigate and to comply with any legal and all authoritarian requirements.
12. This Entity and its Partners may, at its own discretion, outsource any and all of its services and cede any and all of its rights and or obligations to any third party without notice and without permission of user / client.
13. User / client indemnify and exonerate this Entity and its Partners against any claim of any kind whatsoever, except when provided for otherwise in writing.
14. This Entity's and its Partner's services are subject to market forces and fluctuation and will as such influence all issues and amounts, but user / client is entitled to full disclosure and scrutiny.
15. This Entity and its Partners reserve the right to decide with whom they want to associate and or do business.
16. Failing to comply with our terms and conditions may lead to the immediate termination of services, contact with user / client and legal steps to recover damages or otherwise.
17. Users / Clients agree to comply with these terms and conditions.
